Commercial Cleaning

We are a one-stop shop for all cleaning and sanitation needs for all commercial facilities. We tailor make our work plans to cover daily, weekly, monthly and quarterly cleaning needs to ensure the best presentation of the facility while also ensuring that we equip a top notch team on the ground with specific and general training in all important areas and 100% support and backing from our managerial team.

Fumigation & Pest Control

From the onset, our commitment has been to provide effective pest control services and reduce cases of pest recurrence. Twenty years later, with superb customer testimonials and referrals, we are proud to credit this pledge with our success. One Way Cleaning Services Ltd is ideal for your home and office pest control for the best services in the market.

Our team comprise of a well-trained, hand-picked team with experience, competence and courtesy as they carry out the services. We use environmentally conscientious products and keep up to date on the market trends with regards to chemicals and practices.

Covid 19 Sanitization & Sterilization

In the midst of the COVID-19 (or Coronavirus) pandemic, workplace and domestic hygiene is a number one priority. We offer professional sanitization and sterilization services to prevent the spread of the Coronavirus. Would you require our services in a one-off emergency situation or would like to schedule regular disinfection solutions, our experts handle preventive measures, as well as offer you with sterilization after confirmed COVID-19 case(s). The disinfection services are carried out by our accredited experienced personnel. We also offer disinfection services for situations involving floods, sewage, sharps and vacant properties, as well as emergency crime scenes.

Garbage Collection

Our garbage collection solutions are tailored for both residential and commercial clients providing a greener and a safer tomorrow. We ensure reliable and professional garbage collection solutions through the provision of proper collection, segregation and disposal of hazardous and non-hazardous waste products within your premises.

Landscaping & Grounds Maintenance

We ensure that all trees, plants, shrubs and lawns are properly managed. This service entails proper pruning, fertilizing, watering, mowing and mulching of the garden. This greatly reduces the chances of diseases, pests and weed growth. We also provide tree, grass and flower planting services should you require a landscaping overhaul.

Sanitary Solutions

The cleanliness of washrooms is a priority for all establishments. We supply a very comprehensive range of services which ensure a safe and hygienic environment for you, staff, visitors and customers. We offer competitive rates for toilet care, sanitary disposal and water management services. We also provide a wide range of consumables such as toilet rolls, hand towels, hand wash, and air fresheners. A wide range of dispensers that can be supplied and fitted to update your washroom area are also readily available.

One-off Deep cleaning

We offer full deep cleaning and disinfection of both residential and commercial premises. Think of this a spring cleaning overhaul with neither the mess nor the fuss. Our team comes in and does a deep cleaning of all areas leaving your space fresh and ready for you. Whether after an event, post construction or just for your quarterly deep clean, we got you.

Carpet & Seat Cleaning

Today's carpet and upholstery materials vary and there is a wider range of fabric options. Our carpet cleaning System offers a number of cleaning options to match any type of upholstery. We offer a range of specialized cleaning methods:

- Dry vacuuming
- Deep shampooing with water extraction.
- Steam cleaning.

Vehicle Cleaning

Our vehicle cleaning service is convenient for individuals and corporate fleets. Our best practices coupled with stunning services leaves your vehicle looking brand new, each and every time whether at home or office.

Height Cleaning

We also clean exterior windows, exterior glass panels, facades, interior glass panels and glass vestibules. We ensure maximum safety and maximum results leaving a squeaky clean look.
